Commitment

Our community believes that we are all committed to the faith development of our children and youth. We strive to honor our agreements to one another and in service to our community. When you enroll your child in our programs, you are automatically enrolled as a parent helper and agree to assist in the classroom or special events several times during the year. Teaching Leaders serve as part of a 3-4 person team. They are needed for all grades levels. Their leadership provides continuity to a class by organizing the curriculum and guiding class parents in program planning for each week. They agree to lead 8-10 sessions. Training and support is provided by the program director.

- *5. What skills, talents, subject areas would you be willing to share with our children in class?
Examples: art/craft, science/technology, cultural/spiritual practices, gardening/environment, music, dance/movement.

ADULT VOLUNTEER AGREEMENTS FOR CHILD SAFETY

Parent Consent

All volunteer leaders who interact and guide children at UU Princeton agree to submit to a criminal/sexual abuse background check. This information will be kept in a locked file cabinet in the church office for a minimum of five years.

As a participant family in the UU Princeton Congregation Children's Program I commit to the following group agreements:

- If my child is not in attendance in the classroom that s/he will remain with me during the Sunday Worship Service.
- I will pick my child up promptly after class has ended, before social hour begins.
- My child is under my supervision at all times when s/he is not in RE class.
- I grant permission for my child's likeness (photos) to be used in any media (print, electronic, paper) for publicity by UU Princeton. I understand my child will not be identified by name.

Code of Ethics Statement

The relationship between young people and their leaders is based on mutual respect. As an adult in a leadership role, I will provide for the nurture, care and support of the children and youth. I will refrain from engaging in behavior that is harmful to their physical, emotional or spiritual development. I affirm that there is nothing in my background that would call into question my being entrusted with the supervision, guidance and care of children and youth.

I affirm that I have never been convicted of a crime or offense involving unlawful conduct, assault or endangering the welfare of a child, nor has it been determined by a court or child welfare agency that I have abused a child. I understand that to protect the children and youth, myself and the congregation, that there should be a minimum of two (2) unrelated adults present in each classroom. Should I be disallowed to work with children or youth, I realize that I shall have no recourse against the staff.

*7. By checking below, I agree to the above Adult Volunteer Agreements for Child Safety: Parent Covenant and the Code of Ethics Statement.
